CONDITIONS OF SALE.

FIRST.

The highest bidder to be the purchaser, and if any dispute arise between two or more bidders, the lot to be immediately put up again and re-sold.

SECOND.

Each purchaser shall give in his name and place of abode, and pay down immediately 25 per cent., if required, on the amount of the purchase, as a deposit, and the remainder must absolutely be paid before the delivery of the lots, and within a week of the time of Sale.

THIRD.

One month will be allowed the purchasers to remove the lots which they may respectively purchase, and which they are to take away with all faults and errors of description, at their own expense; all reasonable care will be given to them till they are taken away, but the same are to become the property of the purchasers from the time of Sale, and to remain in every respect at their risk.

FOURTH.

No person to advance less than one shilling at each bidding, above two pounds two shillings, and so on in proportion.

LAST.

The lots must be cleared according to the second and third conditions, in default of which the vendor shall be at full liberty to re-sell the said lot or lots, the deposit-money shall be forfeited, and the deficiency (if any) attending such re-sale, together with the expenses attending the same, shall be made good by the purchaser at this sale.
